Circular to shareholders

1. Introduction

Nedbank Group's interim results for the six months ended 30 June 2009 were published on SENS on Wednesday, 5 August 2009 and in the press on Thursday, 6 August 2009. Nedbank Group shareholders ("shareholders") were advised in these results that the directors of Nedbank Group proposed to award shareholders fully paid ordinary shares with a par value of R1.00 in Nedbank Group as a capitalisation award. Shareholders will be entitled, in respect of all or part of their shareholding, to elect to participate in the capitalisation award, failing which they will receive the cash dividend alternative of 210 cents per ordinary share that will be paid to those shareholders not electing to participate in the capitalisation award. The number of capitalisation award shares to which shareholders are entitled will be determined in the ratio that 210 cents per ordinary share bears to the ratio price (i.e. the 30-day volume-weighted average traded price of Nedbank Group ordinary shares on the JSE Limited ("JSE")) to be determined no later than Wednesday, 26 August 2009. Details of the ratio price will be published on SENS no later than Thursday, 27 August 2009.

The rationale for the capitalisation award is to afford shareholders the opportunity to increase their shareholding in Nedbank Group and for Nedbank Group to strengthen its capital base.

2. Purpose of this circular

The purpose of this circular is to provide shareholders with information regarding the capitalisation award and the cash dividend alternative.

3. The capitalisation award and the cash dividend alternative

3.1 Terms of the capitalisation award

Subject to the terms contained in this circular and the attached form of election pertaining to certificated shareholders, ordinary shareholders recorded in the register of Nedbank Group at the close of business on the record date who have not elected to participate in the capitalisation award will be paid the cash dividend alternative.

3.2 Procedure for shareholders to receive the cash dividend alternative

Shareholders who wish to receive the cash dividend alternative do not need to take any further action. If no election is made to participate in the capitalisation award, shareholders will receive the cash dividend alternative in respect of all the ordinary shares held on the record date.

3.3 Procedure for shareholders who elect to receive capitalisation award shares

Shareholders who hold certificated ordinary shares and wish to elect to receive the capitalisation award shares must complete the attached form of election in accordance with the instructions contained therein and lodge it with the transfer secretaries in South Africa, Computershare Investor Services (Proprietary) Limited, Ground Floor, 70 Marshall Street, Johannesburg, 2001 (PO Box 61763, Marshalltown, 2107) to be received no later than 12:00 on the record date, Friday, 11 September 2009, or lodge it with the transfer secretaries in Namibia, Transfer Secretaries (Proprietary) Limited, Shop 8, Kaiserkron Centre, Post Street Mall, Windhoek, Namibia (PO Box 2401, Windhoek, Namibia), to be received no later than 11:00 on the record date, Friday, 11 September 2009.

Shareholders who have dematerialised their ordinary shares through a Participant or broker must not complete the form of election attached, but should instruct their Participant or broker with regard to their election in terms of the custody agreement entered into between them and their Participant or broker.

Shareholders may make the election in respect of all or part of their ordinary shares held on the record date. If an election is made in respect of part of a shareholding, shareholders will receive the cash dividend alternative in respect of the ordinary shares for which the election is not made.

3.4 Posting of share certificates and crediting of Participant or broker accounts

Share certificates in respect of the capitalisation award shares will be dispatched by registered post to the certificated shareholders at the risk of such shareholders on or about Monday, 14 September 2009, to their registered addresses or in accordance with instructions given to the transfer secretaries. Dematerialised shareholders' Participant or broker accounts will be credited on Monday, 14 September 2009 in respect of the capitalisation award election.

3.5 Certificated shareholders wishing to receive the cash dividend alternative

The cash dividend of 210 cents per ordinary share will be paid via electronic transfer into the personal bank accounts of certificated shareholders who have chosen the cash dividend alternative or who have not elected to participate in the capitalisation award only in the event that the transfer secretaries are already in possession of their banking details. Where the transfer secretaries do not have the banking details of the aforesaid certificated shareholders, dividend cheques will be dispatched at the risk of such shareholders on or about Monday, 14 September 2009, to their registered addresses or in accordance with the instructions given to the transfer secretaries.

4. Fractions

Trading in the Strate Limited (the electronic settlement system for transactions that take place on the JSE and off-market trades) ("Strate") environment does not permit fractions and fractional entitlements. Accordingly, where a shareholder's entitlement to capitalisation award shares calculated in accordance with the formula mentioned in paragraph 1 above gives rise to a fraction of a new ordinary share, such fraction will be rounded up to the nearest whole number where the fraction is greater than or equal to 0.5 and rounded down to the nearest whole number where the fraction is less than 0.5.

5. Tax implications

This capitalisation award or cash dividend alternative may have tax implications for resident as well as non-resident shareholders. Shareholders are therefore encouraged to consult their professional advisers should they be in any doubt as to the appropriate action to take.

6. Listing of new Nedbank Group shares

Application will be made to the JSE and the Namibian Stock Exchange ("NSX") for the maximum possible number of capitalisation award shares to be issued in terms of the capitalisation award to be listed with effect from the commencement of business on Monday, 7 September 2009. A further application will be made to the JSE and the NSX to adjust the maximum number of new shares listed to take into account the actual number of capitalisation award shares issued to shareholders on or about Friday, 18 September 2009.

7. Foreign shareholders

The distribution of this circular and/or accompanying documents and the right to elect capitalisation award shares in jurisdictions other than the Republics of South Africa and Namibia may be restricted by law and a failure to comply with any of these restrictions may constitute a violation of the securities laws of any such jurisdictions. Shareholders' rights to elect capitalisation award shares are not being offered, directly or indirectly, in the United States of America or Japan, unless certain exemptions from the requirements of those jurisdictions are applicable.

When distributed in, from or into the United Kingdom, this circular is intended for members and creditors of certain bodies corporate (within the meaning of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005), persons outside the United Kingdom and any other persons to whom it may be communicated lawfully. No other person should act or rely on it. Persons distributing this memorandum must satisfy themselves that it is lawful to do so.

In relation to each Member State of the European Economic Area which has implemented Directive 2003/71/EC (the "Prospectus Directive") (each, a "Relevant Member State") including the United Kingdom, shares may only be offered or allotted free of charge to existing shareholders, and dividends paid out in the form of shares of the same class as the shares in respect of which such dividends are paid within the meaning of the Prospectus Directive or within the meaning of the applicable laws of the Relevant Member State or otherwise in circumstances that have not resulted and will not result in an offer to the public in a Relevant Member State, within the meaning of the Prospectus Directive and the United Kingdom Financial Services and Markets Act 2000.

8. Exchange control

In terms of the Exchange Control Regulations of South Africa:

8.1 in the case of certificated shareholders:

- any share certificate that may be issued to non-resident shareholders will be endorsed "non-resident";
- any new share certificates and dividend payments based on emigrants' ordinary shares controlled in terms of the Exchange Control Regulations will be forwarded to the authorised dealer in foreign exchange controlling their blocked assets. The election by emigrants for the above purpose must be made through the authorised dealer in foreign exchange controlling their blocked assets. Such new share certificates will be endorsed "non-resident"; and
- dividend payments due to non-residents are freely transferable from South Africa. In respect of all non-residents of the common monetary area (collectively the Republic of South Africa, the Republic of Namibia and the Kingdoms of Lesotho and Swaziland) the dividend payments due will be sent to the registered address of the shareholder concerned or in accordance with instructions given to the transfer secretaries;

8.2 in the case of dematerialised shareholders:

- any shares issued to emigrants from the common monetary area and all other non-residents of the common monetary area will be credited to their Participant's or broker's account and a "non-resident" annotation will appear in the Participant's or broker's register;
- any dividend paid to emigrants from the common monetary area will be credited to their Participant's or broker's accounts and their Participant or broker will arrange for the same to be credited directly to the shareholder's blocked rand account held by that shareholder's authorised dealer and held to the order of that authorised dealer; and
- any dividend paid to non-resident shareholders who are not emigrants from the common monetary area will be credited directly to the bank accounts nominated for the relevant shareholders by their duly appointed Participant or broker.

Non-resident and emigrant dematerialised shareholders will have all aspects relating to exchange control managed by their Participant or broker.
